### ARTICLE III

##### A. DEFINITIONS

Grievance - A "grievance" shall mean a complaint based upon a wrong believed by an employee in the negotiating unit to have been suffered by him/her as a result of a violation, misinterpretation or inequitable application of any provision of this Agreement, or through an act or condition which is contrary to established Board policy or Board and/or administrative practice governing or affecting employees except that the term "grievance" shall not apply to:

- (1) Any rule or regulation of the State Department of Education having the force and effect of law.
- (2) Any rule or regulation of the State Commissioner of Education having the force and effect of law.
- (3) Any matter which, according to law, is beyond the scope of Board authority.
- (4) Any matter which, according to law, is exclusively within the discretion of the Board.

Grievant - Grievant shall mean an employee believing himself/herself to have been or to be aggrieved.

Employee - An employee shall mean an employee within the negotiating unit.

Immediate Superior - The principal or such person acting as the principal in the latter's absence, or the office administrator in central office.

##### B. PRINCIPLES

(1) A grievance to be considered under this procedure shall be presented only by the grievant or the Association not later than twenty (20) calendar days following its occurrence or the time when he/she should have known about it. The number of days allotted at each step of the grievance procedure is to be considered as a maximum time limit. Every attempt should be

made to resolve grievances as quickly as possible. A grievance which occurs near the end of the school year shall be presented on or before June 30th of the school year in which it occurred.

(2) A grievant may present and process his/her grievance only personally or through the Association. Should a grievant want to process his/her grievance personally, the Association shall be notified and shall have the right to have its own representative present. Grievant shall be represented only by a majority representative at any level of the grievance procedure.

(3) No reprisals shall be taken by the Board or Administration against any employee because he/she utilizes the grievance procedure.

(4) Should a grievance result from action taken by the Superintendent or the Board, a grievant or the Association may present his/her grievance initially at the third step of the grievance procedure.

(5) Forms developed jointly by the Board and the Association will be used for the filing of grievances.

#### C. PROCEDURE

##### STEP ONE:

A grievant may initially discuss the matter identified as a grievance with the immediate superior in an attempt to settle the grievance informally. This is not intended to extend the time limitation as set forth in Section B, sub-section 1.

##### STEP TWO:

(a) A grievant or the Association shall file a grievance in writing by presenting the written grievance to the immediate superior and forwarding copies to the Superintendent and the Association.

(b) The grievant and/or the Association and the immediate superior shall meet in an attempt to resolve the grievance not later than seven (7) calendar days following the date on which it is filed.

(c) The immediate superior shall communicate his/her decision in writing to the grievant not later than seven (7) calendar days following the hearing. A copy of the decision shall also be forwarded, at the same time, to the Superintendent and the Association.

##### STEP THREE:

(a) If the grievance has not been resolved at Step Two of the Procedure, the grievant or the Association may request a hearing of his/her grievance by the Superintendent or his/her designated representative. This shall be done not later than seven (7) calendar days following the immediate superior's decision.

(b) The grievant and/or the Association and the Superintendent or his/her designated representative shall meet in an attempt to resolve the grievance not later than seven (7) calendar days following the date on which the hearing was requested.

(c) The Superintendent or his/her designated representative shall communicate his/her decision in writing to the grievant not later than thirty (30) calendar days following the hearing. A copy of the decision shall also be forwarded, at the same time, to the Association.

#### STEP FOUR:

(a) In the event the grievant is dissatisfied with the determination of the Superintendent or his/her designated representative, and in the further event that the grievance involves the interpretation or application of this contract, the matter may be submitted to binding arbitration. The grievant shall request in writing that the Association submit his/her grievance to arbitration. If the Association decides the grievance is meritorious, it may submit the grievance to arbitration. A request for arbitration and application to secure a list of arbitrators through the Public Employment Relations Commission shall be made in writing within eleven (11) school days following the determination of the Superintendent. The parties shall then be bound by the rules and procedures of the Public Employment Relations Commission in the selection of an arbitrator. Failure to request arbitration and make said application to the Public Employment Relations Commission within the above period of time shall constitute an absolute bar to such arbitration unless the Superintendent and the Association shall mutually agree upon, in writing, a longer time period within which to assert such a demand.

(b) The Superintendent may also request arbitration concerning any dispute regarding the interpretation or application of this contract. The time limits applicable to the Association are also applicable to the Superintendent.

(c) The arbitrator shall have no power or authority to add to, subtract from, change or modify any of the terms of this Agreement.

(d) The arbitrator so selected shall confer with the Superintendent and the Association and hold hearings promptly, and he/she shall issue his/her decision not later than twenty (20) calendar days from the close of hearings or if oral hearings have been waived, then from the date that the final statements and proof are submitted to him/her. The arbitrator's decision shall be in writing and shall set forth findings of fact, reasoning and conclusions on the issue submitted. The decision of the arbitrator shall be submitted to the Superintendent and the Association and shall be final and binding on the parties.

(e) The costs for the services of the arbitrator including per diem expenses, if any, and the cost of the hearing room, if any, shall be borne equally. Any other expenses incurred shall be paid by the party incurring such expense.

The child care phase is that period of time selected by the employee which follows the disability phase during which time the employee voluntarily suspends her career to care for the newborn child. The child care leave shall also be available to an adoptive parent or the father of a newborn infant.

(a) **DISABILITY PHASE:** Any tenured or non-tenured employee seeking a leave of absence on the basis of medical reasons associated with pregnancy or birth shall apply to the Board of Education. At the time of application, which shall be made upon sixty (60) days' notice to the Board, the employee shall specify in writing, the date on which she wishes to commence leave and the date on which she wishes to return to work after the birth. The Board shall require any employee to produce a certificate from a physician in support of the requested leave dates. Where medical opinion is supportive of the leave dates requested, such request shall be granted by the Board. It is understood that the disability period as certified jointly by the employee's and the Board's physicians may be treated as compensable sick leave time at the option of the employee.

(b) **CHILD CARE PHASE:** Where the requested leave dates are beyond the period of disability associated with pregnancy and is for child care purposes as defined above, the tenured employee shall be granted, at his/her discretion, a leave for (1) the balance of the school year in which the birth or adoption occurred, or (2) the balance of the school year in which the birth occurred and the entire following school year. Any farther extensions of child care leave shall be discretionary with the Board of Education.

The Board need not grant or extend the leave of absence of any non-tenured employee beyond the end of the contract school year in which the leave is obtained.

3. An employee returning from pregnancy leave of absence shall be entitled to all benefits to which employees returning from other types of sick or disability leave would be entitled. Nothing contained herein shall be construed to require the Board to grant tenure to any non-tenured employee who would not otherwise have been granted tenure or to offer a new contract for a new school year to any non-tenured employee who would not have been otherwise offered such a contract.

4. No tenured or non-tenured employee shall be barred from returning to work after the birth of her child solely on the ground that there has not been a stated or prescribed lapse of time between that birth and her desired date of return except as is provided herein. Nothing contained in this Article shall be construed to preclude the Board from requiring any employee after birth of her child to produce a certificate from her physician showing that she is physically capable of resuming her duties.

5. Eligible employees may choose to apply for unpaid family leave as provided by the Family Leave Act. N.J.S.A. 34:11B-1, *et seq.*
